

# ISC'22

2'nd International Symposium on Characterization  
22-25 September 2022 Afyonkarahisar / TURKEY

All about science, technology and engineering...

Organized by

We are very happy to inform you that the 2'nd International Symposium on Characterization will be held face to face and online (hybrid), from 22 to 25 of September, 2022 in Afyonkarahisar/Turkey.

We will enthusiastically look forward to your contributions and active participation in the ISC'22. The information about the conference is also available on the website. We extend a very warm welcome to you all to contribute with your work and actively participate in the 2'nd International Symposium on Characterization. Also, ISC'22 provides "UAK" and "Academic Incentive" criterias.
